

Barco digital cinema projectors

XDC-2200B

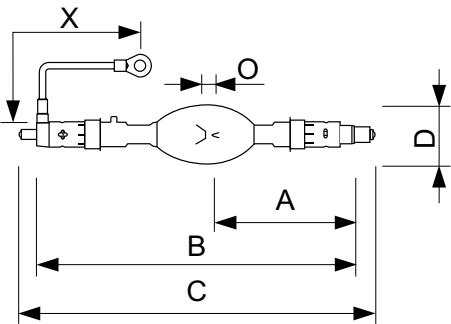

Digital Xenon Cinema B-type lamps are ideal for today's demanding 3D and 2D digital cinema presentations. They are especially designed for Barco projectors. There is a choice of three power ratings in the B-type Digital Xenon Cinema lamps range: 3000W, 4000W, or 6500W. There is also a choice of three power ratings in the BH-type Digital Helios lamps: 2000W, 3000W, and 4200W power ratings. All these lamps produce the very high light output needed to maximize screen brightness and enhance the dramatic effect for the viewer. These long-life digital lamps also provide constant color temperature characteristics, and meet all of the stringent arc-stability requirements for consistent customer satisfaction. In addition to B-type Digital Cinema Xenon lamps there are C-, N-, S-, and TA-type Digital Cinema Xenon lamps. These are all individually customized per projector, so there is a different, perfect-fitting lamp for each projector model to ensure optimized projector performance.

Dados do produto

Informações gerais	
Posição de funcionamento	P5 [p5]
Principal aplicação	Cinema
Vida útil nominal (Nom.)	1500 h
Íman	-
Dados elétricos e de funcionamento	
Power (Rated) (Nom)	2200 W
Duração da corrente de lâmpada	60/85 A
Corrente de lâmpada (Nom.)	75 A
Tensão de pico da ignição (Máx.)	40000 V

Tensão (Nom.)	27 V
Dados do produto	
Código do produto completo	871829176510300
Nome de produto da encomenda	XDC-2200B
EAN/UPC – Produto	8718291765103
Código de encomenda	76510300
Numerador – Quantidade por embalagem	1
Numerador – Embalagens por caixa exterior	1
N.º material (12NC)	928418406301
Peso líquido (Peça)	480,000 g

Desenho dimensional

LTIX XDC 2200 B

Product	O	D	X	B (max)	C (max)	A
XDC-2200B	4,3 mm	55 mm	133 mm	294 mm	341 mm	123 mm
